CORPORATE TEAM BUILDING

AN UNFORGETTABLE TEAM BUILDING EXPERIENCE FOR YOUR TEAM

GRA offers a wide range of fun and challenging indoor and outdoor corporate team building activities to engage, inspire and develop your team; perfect for your next conference, away day or kick-off meeting. Choose from our two unique locations within De Vere's Wokefield Estate or The Football Association's St. George's Park National Football Centre. Alternatively, we have the capability to go mobile with some of our activities to the location of your choice.

We have something for everyone, from desktop puzzles and team problem-solving exercises to adrenaline-fuelled outdoor activities, including laser combat, high ropes and everything in-between. Activities at both centres include:

- {+} High and low ropes courses
- {+} Archery
- {+} Laser Combat
- {+} Powerfan free-fall experience
- {+} Crate Stack Challenge
- {+} Climbing walls
- {+} Conference energisers
- {+} Initiative tasks
- {+} Indoor team building activities

"THE FEEDBACK AND POSITIVE COMMENTS THAT WE RECEIVED FROM OUR TEAM FAR EXCEEDED MY EXPECTATIONS AND I WAS THRILLED WITH THE DAY. IT REALLY DELIVERED ON WHAT WE WANTED TO ACHIEVE."

TAILORED EXPERIENCES FOR MAXIMUM IMPACT

With such a diverse range of activities on offer, we are able to cater for all ability levels, budgets and timings; for groups of up to 300 people. We recognise that many team building activities create "challenge by peer/instructor pressure", where people are persuaded to do things they don't really want to do. But that's not how we operate, as everyone is challenged by new situations in different ways and to varying degrees.

It is important to us at GRA that we strictly operate a "Challenge by Choice" policy where the level of participation is set solely by the individual. At no time is anyone 'persuaded' to go beyond the boundaries that they set for themselves.

LEARNING BEYOND THE CLASSROOM

GRA also have a wealth of experience in experiential learning and development training programmes. If you'd like to add some leadership or team development theory into your programme, we would be happy to discuss tools, models and frameworks which could enhance learning transfer and maximise the effectiveness of your day out of the office together.
